DESIGN

Against a backdrop of Fossil Bedlam metallic grass paper from Guilford Duvigne and South Pacific Fabrics, a seating area in the foyer includes an over-scaled black mirror, the reproduction Louis XV style in Caprice's faux crocodile leather from Unique Fabrics, and an armchair in a Chinese silk from Serenice Textiles. In the lavish bathroom, **OPPOSITE PAGE**, black framed reproduction Louis mirrors from Fossil Decor are mounted against mirrored walls above individual sections of Nero Marquina marble. The "Roper" wash basins and "Scot" taps are from Revere, the black glass mosaic tiles from Cien Ceramics. Details, see pages
